

HOSTEL COUNSELLING

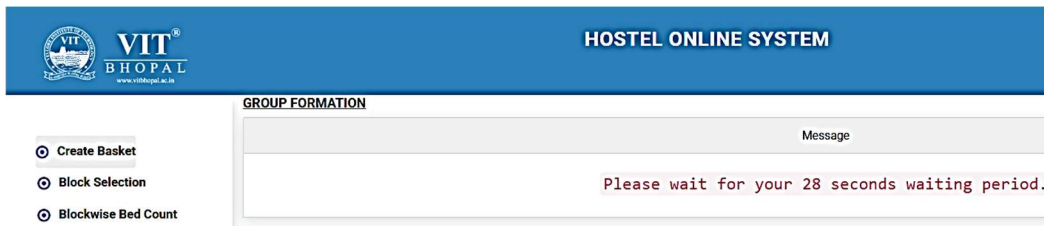

VIT Bhopal University

Step 1: Log in using your VTOP credentials.

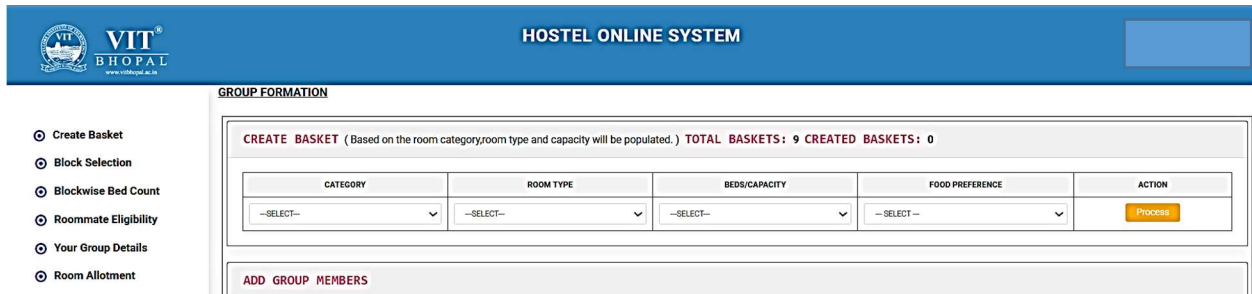

The login form for VIT Bhopal VTOP (Bhopal Campus) features the university's logo and name at the top. Below the logo, there are two input fields: 'Username' and 'Password'. The 'Password' field includes a toggle icon for visibility. A blue 'Login' button is positioned below the password field. At the bottom, a copyright notice reads: 'Copyright © 2026 Software Development Cell, VIT Bhopal'.

Step 2: Click on "Create Basket" and wait for a 30-seconds buffer time.

The 'HOSTEL ONLINE SYSTEM' interface shows a 'GROUP FORMATION' section. On the left, a sidebar contains three radio buttons: 'Create Basket' (selected), 'Block Selection', and 'Blockwise Bed Count'. The main area has a 'Message' box with the text: 'Please wait for your 28 seconds waiting period.'

Step 3: After 30 seconds, click the "Create Basket" menu again. You must create baskets for **all available choices and Food Preferences**. Ensure that the basket contains all available choices. If any choice is left out, you will not be able to proceed to the next steps.

The 'HOSTEL ONLINE SYSTEM' interface shows the 'GROUP FORMATION' section. The sidebar on the left now has five radio buttons: 'Create Basket' (selected), 'Block Selection', 'Blockwise Bed Count', 'Roommate Eligibility', and 'Your Group Details'. Below these is a link for 'Room Allotment'. The main area displays 'CREATE BASKET (Based on the room category/room type and capacity will be populated.) TOTAL BASKETS: 9 CREATED BASKETS: 0'. Below this is a table with five columns: 'CATEGORY', 'ROOM TYPE', 'BEDS/CAPACITY', 'FOOD PREFERENCE', and 'ACTION'. Each of the first four columns has a dropdown menu with '--SELECT--' as the placeholder. The 'ACTION' column contains a yellow 'PROCESS' button. At the bottom, there is a link for 'ADD GROUP MEMBERS'.
